

Acknowledgement

This is the venue of my thesis where I can express my gratefulness. So, at first I want to take two names Professor Madhumangal Pal and Dr. Sukumar Mondal, besides them I cannot decorate my dream to have a degree of Doctor of Philosophy. I dedicate my modest respects and heartiest gratitude to my two supervisors respected sir Prof. Madhumangal Pal, Department of Applied Mathematics with Oceanology and Computer Programming, Vidyasagar University, Midnapore, West Bengal, India and Dr. Sukumar Mondal, Department of Mathematics, Raja N.L.Khan Women's College(Autonomous), Midnapore, West Bengal, India. Their perpetual inspiration and philosophy give me an enjoyable experience not only in journey of research but it will also be memorable in future life.

I express my earnest thankfulness to my adorable teacher Dr. Biswajit Mondal and all other faculty members and staffs of the department of Mathematics, Raja N.L.Khan Women's College (Autonomous), Midnapore, West Bengal, India.

I convey my sincere gratitude to my co-researchers Dr. Sk Amanathulla, Dr. Tarasankar Pramanik, Dr. Sanjib Mondal, Dr. Sonia Mondal, Dr. Tanmoy Mahapatra for their diligent co-operation and kind help throughout this work. I am also grateful to all other reaserch scholars (Suman da, Sreenanda di, Sanchari di, Sovan Dogra da, Prasenjit da, Tapas da, Rupkumar da, Anushree, Uttam, Rabiul) of Prof. Madhumangal Pal for their constant support and encouragement.

I express my earnest thankfulness to honourable principal Dr. Jayasree Laha and all the members of Ph.D. Committee, Raja N.L.Khan Women's College (Autonomous), Midnapore, West Bengal, India for their recommendation, endless co-operattion, providing all the facilities needed for successful completion of my research work.

I would like to thank to the authority of Vidyasagar University, Midnapore, West Bengal, India for their kind support during my research work.

I am thankful to the Department of Higher Education, Science & Technology and Biotechnology (DHESTBT), Govt. of West Bengal, India for financial support (under grant no. 245 (sanc.)/ST/P/S & T/16G-20/2017) during my research work. My special true-hearted gratitude to my soul mate, my lovable husband Partha Pratim

Pramanik for his innumerable support, endless co-operation and heartily encouragement.

It is a great pleasure for me to express my special gratitude to my parents Mr. Badal Patra and Mrs. Krishna Patra and my beloved obedient brother Manas Patra for their constant support, affection and prayer for me. I also like to thank my father-in-law Mr. Hillol Pramanik and Mother-in-law Mrs. Chhabi Pramanik for their continuous encouragement and countless support. I am also thankful to all other family members enough for their support and love through all my endeavors.

I would like to thank everybody who was important to the successful realization of the thesis, as well as expressing my apology that I could not mention personally one by one.

I would like to thank everybody who was important to the successful realization of the thesis, as well as expressing my apology that I could not mention personally one by one.

Finally, I would like to thank to the authors of the articles from which I learned a lot and applied these knowledge to write this thesis.
