On behalf of Raja NarendraLal Khan Women's College, I extend a warm welcome to you all.

Annual Report of RNLKWC (A): 2021-2022

Raja N. L. Khan Women's College (Autonomous) popularly known as Gope College has come a long way since the college began its journey on 22nd August, 1957. Thanks to the generosity of Mrs. Anjali Khan, wife of Sri Amarendra Lal Khan of Narajole Royal Family. Our college began its journey from the Historical Gope Palace with a handful of students, with unstinting support and encouragement of Dr Bidhan Chandra Roy, the then Chief Minister of West Bengal. The Palace bears the rich legacy of hosting almost all of the great political leaders, eminent thinkers and many well-known freedom fighters of the country, in the days of the British Raj.

Over the years, our college has developed into an outstanding institution of higher education. In 2018, Raja N.L. Khan Women's College has been given the Autonomous status by UGC and confirmed by Vidyasagar University from the academic session 2018-2019 for a period of 10 years. It is the first women's college in West Bengal to receive this prestigious distinction. This year the college has been ranked 73rd in 'college category' by NIRF (2022).

At present the college has 28 Undergraduate Departments and 14 Postgraduate Departments and in the near future we will be offering many more UG & PG courses. Our meritorious and disciplined students, research scholars [total 64 ongoing], highly qualified and dedicated faculty and efficient staff have earned rich accolades from various academic bodies, State Higher Education Department, UGC, CPE-II, DST FIST-I & II and MHRD, Govt. of India. Two research centres (both in Humanities and Social Science as well as Natural and Applied Sciences) have been established with the affiliation of Vidyasagar University, Midnapore, Paschim Medinipur.

It's my privilege to acclaim that Raja Narendra Lal Khan Women's College, in spite of being situated in rural surroundings at Phulpahari Mouza on the outskirts of Midnapore Town, has all the modern facilities and equipment required in higher education today. Our dynamic website provides comprehensive information regarding all academic activities. All kinds of infrastructural facilities are available within the college campus— "ICT and smart classrooms" equipped with modern teaching-aids in each Department; modernized laboratories in all science departments; language laboratory; Mentorship; Wi-Fi facilities inside the campus; hostels for the resident students within the College premises; extensive playgrounds; fully furnished gymnasium and spacious auditorium; well-stocked library; entire campus under CCTV surveillance; biometric attendance; free health check-up & medical facility; very affordable canteens and Water ATM. The college has a very active Career Advancement Centre which offers a number of value-added certificate courses with nominal fees and arranges regular campus interviews attended by renowned companies. Our college has been selected by NSDC for imparting training in Office Management and Accounting. With the help and support of the

Annual Report of RNLKWC (A): 2021-2022

West Bengal Tribal Corporation, Govt. of West Bengal, we have initiated two free certificate courses for our tribal students.

Dear students, you will be conferred your degrees today. I sincerely hope that your days in the institution has been a very enriching and fruitful experience and have played a very effective role in your academic growth and in moulding your personality. I wish you all success.

We pay our homage to all the departed souls who have left for heavenly abode during 2021-22.

NIRF (National Institutional Ranking Framework) Ranking- 2022

Our college has been ranked **73rd** by NIRF among the top colleges of India this year. It should also be mentioned that only seven colleges from the state of West Bengal have secured their places within the 100 colleges of India, out of which five colleges belong to the region of greater Kolkata. Being a college from a small district-town like Midnapore, we are very proud to be ranked among the best colleges of the country.

Audit

The Govt. Audit for the year 2019-20 has been completed. The Internal Audit for the year 2020-21 & 2021-22 completed and the Govt. Audit for the same years will be done after allotment of Audit Firm by the DPI, West Bengal.

Biodiversity Park

We are very happy to announce that the Dept. of Environment, Govt. of West Bengal has given the administrative approval and financial sanction of Rupees Nine Lakh Eighty Thousand Four Hundred (Rs. 9,80,400.00) for the project entitled “Development of a Biodiversity Park at the college campus of Raja Narendra Lal Khan Women’s college” on 05-08-2021. The work is being carried out under the supervision of Dr. Anirban Roy, Research Officer, and West Bengal Biodiversity Board. We intend to set up a tree library, grassland mound, butterfly garden, eco-pond, etc. within the Biodiversity Park.

Solar Tree

For the long-term use of green and clean energy, a solar tree has been installed within our college campus with the help of Durgapur CMERI (Central Mechanical Engineering Research Institute). The solar tree was inaugurated by the District Magistrate of Paschim Medinipur on 3rd of March, 2022. This 11.55 kW peak power solar tree has a total of 35 solar PV panels, each with a power of 330 watts and can produce 35-45 units of green and clean energy on typical sunny day. From the very beginning, total 7850 units already produced by the solar tree till 15th of August, 2022. This solar energy partially meets our institution’s electricity need and a portion of the generated energy is fed into the power grid.

Construction of new Entry Gate

The Governing Body of our college decided to construct a new college entry gate to commemorate the autonomous status received by it from UGC. In this context we are very privileged and thankful to note that Mr. Sukumar Roy, Director, Ketek Pvt. Ltd. has donated Rs. 32,86,948.00 to construct the gate. The Construction work is almost finished, and expected to be completed before the 66th Foundation Day of the College.

College Land

Proposal for 99 years’ extension (from 22/08/2017) of lease deed of college land was submitted with all requisite papers to the ADM & DLRO, Paschim Medinipur. The lease deed with the said extension is received this year.

Hostels

The College has six hostels at present. Nearly 500 boarders reside in these six hostels. Massive renovation work of the Pravabati Bhavan and Lavatories, and electrical repairing works of all the buildings have been done. A big kitchen has been constructed for hostel boarders. The old kitchen of the Nivedita Building has been transformed into the Hostel Common Room with all facilities. A big shed has been constructed this year which will be used as an additional dining space. Recently, one cycle-stand and two stalls with readymade food items and stationery goods have been set up for the boarders inside the hostel premises.

Supply of Water in the Campus

The Supply of water in hostels, laboratories, and staff quarters is done by Public Health Engineering Department, Govt. of West Bengal. This department supervises the pumping of water from a big well, situated at Gope Nandini at a distance of 1.5 K.M. from the college, and water is stored in a huge overhead reservoir inside the college campus, from which water is

delivered. Beside this, another deep tube-well was installed inside the campus. However, during the summer season, our college campus often faces scarcity of water. The College Authority is grateful to Mr. Subrata Mukherjee, MIC, PHE & Panchayet and Rural Development for sanctioning of one deep tube-well and one Water ATM for this college. A water filter with capacity of 3000 lt. has been installed in the hostel last year with the assistance of the Dept. of Chemical Engineering, IIT, KGP, under the supervision of Prof. Sirsendu De. Two more water filters of 1500 lit. capacity mentioned above have been installed near Rabindra Neer and Controller Section this year.

Security of the Campus

A police outpost exists in the campus to maintain the security round the clock. Higher Education Department, Govt. of West Bengal allocates special fund to District Police Authority for the said purpose. Besides this, Security personnel have been engaged by the College at the Gate, round the clock. One new security person has been appointed this year.

Annual Report of RNLKWC (A): 2021-2022

This institute has completed 65 years of its journey. These 65 years have witnessed a tremendous and effective growth of teaching, learning in the field of value-based human development. We sincerely acknowledge the contribution made by the different Government departments, Officials and the community members for providing us the opportunity to develop the credential in the field of teaching learning process and in the expansion of liberating force of education towards the society.

Before I conclude, on behalf of the college, we extend our thanks and gratitude to Vidyasagar University, Higher Education Department, Education Directorate, West Bengal State Council of Higher Education, West Bengal College Service Commission, Netaji Subhas Open University, University Grants Commission, UCO Bank, SBI, Midnapore, Axis Bank, Midnapore, and other Nationalized Banks, Post Office, Home Department, Public Health Engineering, Midnapore Municipality, Paschim Medinipur Zilla Parishad, Paschimanchal Unnayan Parishad, NSS Coordinator, NCC Directorate, District Administration, Friends and Well-wishers for their infinite assistance and co-operation.

We are grateful to the honourable guests for their august presence on this occasion.

We also extend our gratitude to all other dignitaries for their presence in this programme, in spite of their busy schedules. We are also grateful to all our guests; media persons present in this function.

We all work for knowledge, peace, equality, love, sympathy, truth, and tolerance through our daily activities. We extend our good wishes and affection to our beloved students. We pray for their good health, pure heart and wisdom. We have so many students working in diverse fields for nation building. We are proud of them.

Once again, I convey my deepest regards and thanks to all who have assembled here.

Namaskar.
